The screenshot shows a mobile application interface for depositing funds. At the top, there is a blue header with a back arrow and the text "Deposit Funds". Below the header is a progress indicator with three steps: the first step is completed (marked with a checkmark), the second step is active (marked with a "2"), and the third step is pending (marked with a "3").

The main section is titled "PAYMENT INFORMATION" and contains several input fields, each with a red arrow pointing to it:

- Cardholder's Name: ***: A text input field.
- Card Number: ***: A text input field, with "(VISA, MasterCard, Discover)" written below it.
- Expiration Date: ***: A date selection field with a dropdown arrow.
- CVC: ***: A text input field.

Below the input fields, there is a section titled "* Required Fields" followed by a disclaimer: "All fraudulent transactions will be investigated and prosecuted to the fullest extent of the law. By selecting 'Submit,' you have authorized a payment to FXCM for further credit to your trading account."

At the bottom of the screen, there are two buttons: "Cancel" on the left and "Submit" on the right. A red arrow points to the "Submit" button.
